Sponsors receive a 6-foot table with black tablecloth and chairs. You are encouraged to bring branded materials, promotional items, and giveaways to engage directly with approximately 800 local attendees. Your [Corporate Sponsorship includes \(12\) event tickets](#). (Please no more than 4 people at your table at one time during the event.) Wine glasses and tasting plates will be provided, allowing your team to either enjoy the event or staff your table in shifts. Sponsor tables are strategically located near the Registration and Silent Auction areas to maximize early and consistent guest interaction.

Sponsors benefit from strong digital promotion through our social media channels (Instagram, Facebook, X, etc.) and outreach to our network of 7,000+ email subscribers. We recommend having business cards available and offering a drawing or incentive to help capture attendee contact information.

[Setup should be completed no later than 3:15p](#), to ensure readiness prior to the [4p event start](#). Guests may arrive early, and interaction often begins as soon as check-in opens. Attire is comfortable business casual. The tasting portion of the event concludes at 7p. At that time, you may choose to remain open, begin breakdown, or stay and enjoy the remainder of the evening, including the DJ Dance party.
